CHILD ESCAPES
DEATH BENEATH
GROCER'S AUTO

Marve, Six-Year-Old Daughter of G. A. Johnson, in Hospital After Being Run Down.

Marve Johnson, 6-year-old daughter of Mr. and Mrs. G. A. Johnson, 1812 Eleventh street, nearly lost her life at noon yesterday when she was struck by an automobile while crossing Sixteenth avenue at Tenth street.

Marve is at the Lutheran hospital. Her right leg is broken and she incurred numerous bruises. Last night it appeared as though her skull had been fractured, but reports today state that the injury to her head is slight, and that the girl probably will recover.

Car Owned By Grocer.

The automobile was driven by Herbert Weigand of the Bluff Cash Grocery, 1625 Seventh street. Marve was on her way home from Lincoln school.

Dr. C. C. Sloan, the attending physician, stated at noon today that the injured girl's condition is much improved. She is the only child of Mr. and Mrs. Johnson.

MILEAGE POSTS
TO BE PLACED ON
ILLINOIS ROADS

Springfield, Ill.—Concrete mileage posts surmounted by Illinois-shaped concrete markers, which together will stand six feet tall, are to be placed this winter or early in the spring at all crossroads upon the three state aid highways which have been hard surfaced this year, according to announcement today of S. E. Bradt, state superintendent of highways.

Roads upon which these markers will be placed first are the Dixie highway, running from Chicago due south through Danville to Lawrenceville; the Lincoln highway, which runs across the state from Chicago through Dixon to Fulton, and the highway between Peoria and Springfield.

Five thousand markers, at least, will be ordered. There will be a total eventually of five thousand or more miles of hard surfaced state roads, and it is figured that at least one marker a mile will be necessary.

The markers will be made to withstand the wear of time. They will be entirely of concrete. The post will bear in large black letters the number of miles to the next city or division point. Just above this mileage figure, within the black outlined Illinois, which will measure about one foot by two feet, will be the number of the route. Each main road in the state system will have a route number. Below the route number will be the letter "L" or "R," to indicate a right or left turn.

Marking of the highways was originally planned to be done by the road builders. This method, the highway superintendent says, presented such difficulties that all marker sections of contracts have been rescinded, and all markers will be made by one factory.

Contracts have not been let yet, but models have been submitted by several manufacturers. It is expected that bids will be asked soon.

Horses and Mules.

East St. Louis, Ill., Dec. 8.—Horses and mules, unchanged.

"They WORK while you sleep"

Take one or two Cascarets occasionally to keep your liver and bowels active. When bilious, constipated, headachy, unstrung or for a cold, upset stomach, or bad breath, Cascarets act so nicely as Cascarets. Children love them too. 10, 25, 50 cents.

SCHOOL RENTAL
TO BE CHARGED

Increased Demand for School Halls for Meetings Leads Board to Adopt Rule.

Increasing tendency to use not only the high school auditorium but grade school buildings as well for meetings and programs not under supervision of school authorities has led the Moline board of education to adopt rules for rental and use of school buildings. The rules were agreed upon at monthly meeting of the board last night.

Fees to defray actual expenses entailed are charged for the high school auditorium amount to \$25 for evening and \$15 for afternoon; gymnasium \$10, or with auditorium \$20; central grammar and McKinley school auditorium \$7.50, and William Carr and Logan school auditoriums \$5.

This fee includes also rehearsal privilege. Responsibility of care of the building rests with the renter, and special provision must be made for maintenance of good order when children under 14 years are admitted without adult accompanying. The board of education in all instances reserves right to rental of the buildings.

The new rules do not mean, however, that the buildings will not be open free to individuals or organizations having a distinctly educational value or promoting community welfare and to whose meetings no admission is charged or a collection taken.

Moline Obituary

Gustaf A. Hallquist.

Gustaf A. Hallquist, age 71 years, over forty years a blacksmith for Deere & company, died at 2:30 yesterday afternoon at the home of his daughter, Mrs. O. J. Lindner, 1666 Thirtieth avenue, Moline. He had resided in the west end of the city for many years.

Funeral services will be held at 2:30 Friday afternoon in the Swedish Baptist church, the services conducted by Rev. B. L. Carlsson. Burial will be in Riverside cemetery.

Mr. Hallquist was born July 1, 1849, in Sweden, and was united in marriage in that country with Christina Miller in 1864, coming to this country and Moline four years later. Mrs. Hallquist preceded her husband in death 14 years ago. Six daughters, Mrs. O. J. Lindner, Mrs. P. O. Larson, Mrs. George E. Carlson, Mrs. Albert Carlson, all of Moline; Mrs. Henry Johnson of Illinois and Mrs. William Swan of Storm Lake, Iowa, and three sons, Adolph F., Arthur L. and Elmer H., all of Moline, survive.

Funeral of Mrs. Corns.

Funeral services for Mrs. Harriet Elizabeth Corns were held at 11:30 yesterday morning in the home of her daughter, Mrs. Sarah E. Vivian, 643 Fortieth street, Rock Island, and at 2 in the afternoon in the Coal Valley Presbyterian church. Services were conducted by the Rev. Mr. Burge. Members of the Eastern Star lodge of Coal Valley had charge of the services there. Pall bearers were Richard Wilson, Henry Spencer, Edward Gregg, Clarence, Richard and Harry J. Trevor.

Death summoned Joseph M. Bjurdall, aged 33 years, at 12:50 this morning in St. Anthony's hospital, where he underwent an operation Monday for appendicitis. Mr. Bjurdall had an attack of appendicitis about one year ago, since which time he had undergone three operations.

Funeral arrangements have not been completed, but Doris lodge No. 319, A. F. & A. M. of which he was a member, will have charge of the services, further announcement to be made later.

Joseph Bjurdall had resided practically all of his life in Moline. He was born April 24, 1886, in this city, and attended the local public schools. He married Miss Bertha Hazelrigg, Jan. 1, 1918, in Rock Island. Mr. Bjurdall was an Episcopalian by faith. For three years he had been employed as a toolmaker at the Rock Island arsenal.

Besides a large circle of friends, he is survived by the widow, his mother, Mrs. Mary Bjurdall, of this city, one sister, Mrs. Bryson Overholt of Chicago, and a brother, Robert F. Bjurdall of Davenport.

Smith W. Mooney, aged 67, died at his home, 101 Fourth avenue, Moline, Tuesday afternoon at 3 o'clock, after an illness of several weeks. He was born Aug. 12, 1853, in Pennsylvania, coming here from Nauvoo, Ill., 22 years ago.

Surviving are the widow, a son, Jesse Mooney of Rock Island, two daughters, Mrs. Hattie Cooper and Mrs. George McCandless, both of Moline, a brother, George, Independence, Kan., two sisters, Rachel Mooney of Independence, Kan., and Mrs. Lizzie Knuch, West Point, Iowa, and five grandchildren.

Funeral services will be held at the home Thursday afternoon at 2 o'clock. Rev. Charles G. Mann will officiate. Interment at Chippianock cemetery.

STUDENTS AID FUND.

Moline high school students at noon today had contributed \$73 to the children's feeding fund for central European nations. Subscriptions were being taken in all study rooms throughout the day. The money will go into the general fund for relief work in Europe.

PAUL A. DOMANN
DIES FROM GAS;
FOUND BY WIFE

Former Publisher of German Newspapers Asphyxiated During Night in Moline Home.

Paul A. Domann, age 44 years, formerly active in the management of German newspapers in Rock Island and Davenport, was asphyxiated last night at his home, 711 Fifth avenue, Moline. The body was found at 6 this morning when his wife called him for breakfast. Mr. Domann had been dead several hours then. Leak in a gas heater filled the room with gas and caused his death.

At 10 last night, when his family retired, Mr. Domann was lying in a bedroom back of the kitchen, reading. His wife left a lunch on the table for him and after the family was asleep he ate it. His wife believed that after he went back to bed he fell asleep, leaving the burner lit. The connection evidently was loosened and the gas filled the room while he slept. Doors connecting the bedroom with the remainder of the house were closed, but not fastened. The gas did not permeate into the kitchen.

Mr. Domann was born in Germany May 22, 1876, and came to this country when he was 17 years of age. He had been connected with German newspapers as editor and publisher for many years, conducting plants in Kewanee and Clinton before coming to the tri-cities. He had resided in Moline over four years, being lately employed as a painter in the Deere wagon works. Three years previous to that he had been advertising manager for Der Demokrat, Davenport, and for slightly longer period had been associated with Volks-Zeitung in Rock Island.

He was united in marriage April 26, 1902, with Miss Mary Anderson in Clinton and beside the widow he leaves five daughters: Stella, Mary, Alice, Emma and Virginia, and a son, Arnold. A brother, Gus, and two sisters, Mrs. Louise Henningsen and Elizabeth, all of Clinton, also survive. Another brother, Max, lives in Germany.

An inquest is being conducted this afternoon in Danielson & Furgie's undertaking rooms.

FALSE BURGLARY ALARM.

One of the trio of Sunday robbers was solved yesterday. But the police didn't get credit and didn't want any for its solution. L. B. Brindley, 1650 Fifteenth street, A. hold the police this morning that the \$107 in cash and the \$50 Liberty bond had been tucked in a corner of a drawer. Alarmed because they could not be found readily, members of the family became excited and immediately seized upon the burglary theory.

NEW BLOUSE FOR
INFORMAL HOURS

More and more are women adopting the dainty overblouses for wear at home during leisure hours. These blouses are chosen because they serve two purposes. They are loose and comfortable as a negligee and yet they are formal enough and attractive enough to be worn when receiving informally or at the luncheon or dinner table in the intimacy of one's family. They offer a great variety as to style, color and material and may reflect the personality of the wearer better than any street suit or frock. There must always be, of necessity, a certain sameness or conservative tone to the frocks for street wear, but the blouse or costume designed for home wear may be of any color and any design to please the wearer.

The new tangerine color is shown in this lovely blouse of chiffon, which is a good illustration of the new "blouse" for informal wear of "Blouse Intime," as the French call it. It is made on graceful lines with a round neck and short, wide sleeves. There is a fascinating design in colored worsted embroidery and there is a chiffon lining in a harmonizing shade. A wide belt of the chiffon marks a waistline. This may be worn with satin or wool skirts and makes a stunning costume with either.

WHEAT MARKET
REACTS AFTER
MORNING SPIRT

Chicago, Dec. 8.—Rains in Argentina and news from Indianapolis about plans to finance exports gave considerable strength to the wheat market today, but a reaction soon took place. Selling in which houses with eastern connections were conspicuous proved soon to be more than a counter-balance for the bullish factors which had developed over night.

Bears contended that urgent foreign buying of wheat in the United States was nearing an end and was likely to be followed by selling. Initial quotations, which ranged from 1/4 to 3/4 higher, December \$1.71 1/2 to \$1.72, and March, \$1.67 1/2 to \$1.70, were succeeded by breaks to well below yesterday's finish.

In corn as well as in wheat there was persistent eastern selling. After opening unchanged to 1/4 higher, including May at 75 1/2 to 77 1/2, underwent a general sale.

Oats were governed chiefly by the action of other grain, starting 1/4 off to 1/2 higher, May 51 1/2 to 52 1/4, and then tending downward.

Provisions showed firmness in line with the hog market.

Chicago Cash Grain.

Chicago, Dec. 8.—Wheat: No. 1 hard, 1.79 1/2; No. 2 hard, 1.75; No. 1 dark northern, 1.76; No. 2 dark northern, 1.70 1/2.

Corn: No. 4 mixed, 73 3/4; No. 2 yellow, 85 3/4; No. 3 yellow, 77 3/4; No. 4 yellow, 73 3/4; No. 5 yellow, 72 3/4; No. 2 white, 76 3/4; No. 3 white, 75 3/4; No. 4 white, 73 3/4; No. 5 white, 50 3/4; No. 3 white, 49 3/4; No. 4 white, 47 3/4.

Rye: No. 2, 1.57 1/2; No. 1, 1.59 1/2; Timothy seed, 5.50 to 6.75; Clover seed, 15.00 to 22.00; Pork: Nominal; Ribs: 12.50 to 14.00.
